2022 Golf Scramble

Player and Sponsorship Packet

## ABOUT THE SCOTTY MICHAEL FOUNDATION

The Scotty Michael Foundation is dedicated to assisting families after the sudden and tragic loss of their baby. It is their mission to help families through the painful journey of baby loss by providing support in the days, weeks, and months that follow.

Through the funds raised by the 2022 Golf Scramble, The Scotty Michael Foundation will maximize their monies to continue to support local and surrounding hospitals with Scotty Boxes, a box filled with resources and support for grieving parents, funding of coffee groups, the Reagan's Ray of Light Retreat, and Christopher's Corner.

The amount of resources to support parents of loss is minimal and The Scotty Michael Foundation is working hard to change that.
