

THE SCOTTY MICHAEL FOUNDATION

2023 Player and Sponsorship Packet

THE SCOTTY MICHAEL FOUNDATION

The Scotty Michael Foundation is dedicated to assisting families after the sudden and tragic loss of their baby. It is their mission to help families through the painful journey of baby loss by providing support in the days, weeks, and months that follow.

Through the funds raised by the 2023 Golf Scramble, The Scotty Michael Foundation will maximize their monies to continue to support local and surrounding hospitals with Scotty Boxes, a box filled with resources and support for grieving parents, funding of coffee groups, the Reagan's Ray of Light Retreat, and Christopher's Corner.

Scotty Boxes

- Boxes or bags filled with resources and provided to the bereaved family while in the hospital
- This is packaged with so much love and given with so much intent to help with-
 - Connection to other loss families
 - Remembrance items
 - Lactation support
 - Therapy options
 - Funeral arrangements

Coffee Group, One Sip at a Time

- This group has grown to host and support over 100 women and their families through local meetups
- By joining our private Facebook group, parents can find upcoming meeting dates and times to talk with other families, provide support, and enjoy a free coffee on Scotty

THE SCOTTY MICHAEL FOUNDATION

- The coffee group has grown to support men through a “Dude’s Day”- all costs absorbed through The Scotty Michael Foundation

Reagan’s Ray of Light Retreat

- Mommas who have lost a child are invited to a 3-day retreat to be with other women who have experienced loss
- This retreat is uniquely designed to give the women who attend space to grieve and create community with the other women attending
- Personalized gifts, lodging, food, beverages, and activities are all covered by The Scotty Michael Foundation at no expense other than a \$100 commitment donation

Christopher’s Corner

- Christopher’s Corner is a “library” dedicated to bereaved families
- Each book has been lovingly chosen and given to families as an opportunity to read to their angel baby, create a special memory, and leave with a keepsake

The number of resources to support parents of loss is minimal and The Scotty Michael Foundation is working hard to change that.
